- F. On 9th March 2012, we had a meeting with Chairman, Telecom Commission basically to discuss certain issues arising out of the Supreme Court Judgment of 2nd February, 2012 amongst others.
- G. On 6th March 2012 a meeting has been held in Sanchar Bhawan basically to discuss on the short term interconnects agreement between BSNL & private operators.
- H. On 2nd March 2012, there was a meeting in DOT to discuss on Multi-Protocol Label Switching connectivity requirement for CMS project.
- I. On 2nd March 2012, second meeting of the National Working Group - 5 of the ITU-T was held in the New Committee Room, TEC.

VI. AUSPI LETTERS

- A. On 28th March, 2012, AUSPI submitted counter comments to TRAI on some stakeholders' views regarding TRAI consultation paper on 'Auction of Spectrum'. AUSPI's counter comments are basically re-farming of spectrum in 900 MHz band, Liberation of 2G bands, Reserve price, Eligibility and Cap on the amount of 2G spectrum, Spectrum usage charge, Auction Fee in installments and 700 MHz.
- B. On 26th March 2012, AUSPI issued a letter to DOT in connection with setting up of Telecom Standards Development Organization(TSDO). In its letter to DOT, AUSPI suggested that each primary member should have equal voting right along with equal membership fee for all primary members.
- C. On 23rd March, 2012, AUSPI submitted its Response to the TRAI consultation paper No. 5/2012 on 'Certain issues relating to the

Telecom Consumers Protection Regulations, 2012' which was issued by TRAI on the request of some stakeholders for their intention of having Combo Tariff Voucher. AUSPI vehemently stated that there is no need of Combo Tariff Voucher.

- D. On 21st March, 2012, AUSPI sent Response to the TRAI consultation paper on 'Auction of Spectrum'. While welcoming the opportunity given to us to comment, AUSPI submitted its comments on various issues raised by TRAI.
- E. On 20th March 2012 AUSPI issued a letter to Chairman TRAI requesting him to extend date of implementation of the Telecom Consumer Protection Regulation 2012 by one month as various vouchers are to be reformatted due to increase in service tax.
- F. On 14th March 2012, AUSPI issued a letter to DOT requesting them to direct TERM cells to audit BTS/sites whose self certificates have been submitted till date based on the existing norms and for BTS/sites whose self certificates will be submitted till 31-03-2012, based on the new Radiation norms.
- G. On 9th March 2012, AUSPI took up the issue regarding retrospective charging of spectrum holding by incumbent service providers beyond the 6.2 MHz with the MOC & IT as a counter to the allegations made by one association.
- H. On 9th March 2012, AUSPI sent a letter to the Hon'ble Minister of Communications & IT on the issue of proposed Presidential Reference on 2G verdict stating that DOT should include the reference with respect to the allotment of spectrum free of cost from 1994 onwards till 2009.
- I. On 9th March 2012, AUSPI submitted its Response to TRAI's Consultation Paper No.

ASSOCIATION OF UNIFIED TELECOM SERVICE PROVIDERS OF INDIA

02/2012 on 'Review of Policy of Forbearance in Telecom Tariffs'. In its response to TRAI, AUSPI brought out that any further regulatory intervention will only curtail the free growth of service and hence the existing regulatory policy of forbearance in telecom tariffs should continue.

- J. On 6th March 2012, AUSPI gave comments to the DOT on the Draft Telecom Security Policy. While responding to the issue in the Draft Policy, AUSPI sought clarity on some issues like the scope of testing of telecom network element, reference document, security compliance, standard tools, comprehensive testing methods in association with the industry, identify global agencies with experience along with plans of evolving Telecom Security Council of India etc.
- K. On 5th March 2012 AUSPI submitted a letter to the Minister of Communication and IT regarding availability of spectrum in 2G band in 22 Service Areas for auction. AUSPI requested the Government that the entire lot of spectrum currently available and becoming available in next few months in 2G bands should be put for auction which should be the first priority of the Government followed by 3G/4G spectrum auction.
- L. On 5th March 2012, AUSPI submitted its response to TRAI Consultation Paper No.03/2012 on Draft guidelines for Unified License/Class License.

VII. JOINT INDUSTRY LETTERS
