[\[Back to Top\]](#)

ASSOCIATION OF UNIFIED TELECOM SERVICE PROVIDERS OF INDIA

AUSPI requested that to ensure level playing field between CDMA and GSM networks and that the CDMA based subscribers also have advantage of enhanced 3G services at par with GSM subscribers, the Government should auction EVDO carrier of 1.25 MHz in all the service areas in 800 MHz band as a forward path for the existing 2G CDMA Operators.

- D. On 14th January 2010, AUSPI wrote to The Commissioner, Commercial Tax, Lucknow on the concern being faced by the telecom industry regarding notices from the Commercial Tax Authority to impose Value Added Tax on Broadband service on the ground that the service involves sale of artificially created light energy.

Through our letter, we clarified to the Commissioner that OFC is not capable of transmitting any energy, what is provided to the subscriber is just the transfer of data and not the sale of any "light energy".

- E. On 14th January 2010, AUSPI submitted a letter to Administrator, USOF requesting extension of cut-off date for installation of RDEL subsidy scheme which is currently valid upto 31st March 2010, for a period of two years upto 31st March 2012, with the same terms and conditions.
- F.
