

GOVERNMENT OF INDIA
MINISTRY OF COMMUNICATIONS
DEPARTMENT OF TELECOMMUNICATIONS
(AS-II CELL.)

SANCHAR BHAWAN, 20, ASHOKA ROAD, NEW DELHI-110 001.

No. 842-1076/2009-AS-IV/

Dated 13/01/2010

To

All Unified Access Service Licensee
All Cellular Mobile Telephone Service Licensees
All Basic Service Licensees

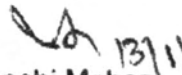

Subject:- Complete details of equipments/vendors name /suppliers name and address including port of origin regarding.

In accordance with the amendment to the Unified Access Service License/ Cellular Mobile Telephone Service License/ Basic Service License Agreements vide letter No. 842-725/2005-VAS(Vol.III) dated 3rd December, 2009 for obtaining security clearance from the Government before procurement of equipment.

It has been found that service providers while applying for the security clearance are not mentioning the complete details like Name and Address of vendor, port of origin etc. details in their request application of security clearance for procurement of equipment to expand network or roll out their services in the licensed service area.

It is, therefore, requested that service providers while applying for security clearance for procurement of equipment should furnish the complete details in respect of the equipment vendor port of origin etc. details to avoid unnecessary delay for granting security clearance. The details may be furnished in the profama enclosed as Annexure-I

The above information should be furnished in quadruplicate by those service providers who had applied for security clearance for procurement of equipment to expand network or roll out their services in the licensed service area.
